LONDONASSEMBLY**LABOUR**

Andrew Dismore AM

Date: 06 December 2016

Dear Cllr Cornelius,

Re: Southbound bus stop on Cricklewood Lane outside Virgin Active Gym

I am writing with regard to the long desired reinstatement of the bus stop on Cricklewood Lane outside the Virgin Active Gym, which would serve the 254, 260 and 460 bus routes.

I gather from TfL that they are keen to now reinstall the bus route, having had a meeting with representatives from Barnet Council and the police. However, they report to me that they are having difficulty finding out information from Barnet Council about when the necessary consultation and required road layout and parking changes will be carried out.

I would be grateful if you could ask officers to respond to TfL on this, copying me in. I would also be grateful if you could instruct officers to treat these works as a priority, thereby getting the consultation underway as soon as possible.

Yours sincerely,

A handwritten signature in blue ink that reads "Andrew Dismore".

Andrew Dismore AM

Labour London Assembly Member for Barnet and Camden
