LONDON ASSEMBLY LABOUR

Andrew Dismore AM

Date: 04 August 2017

Dear Sir or Madam,

Re: Kentish Town Post Office

I am writing to support comments to you from Cllr Jenny Headlam-Wells of Camden Council, and Caroline Hill of Kentish Town Road Action to object to your plan to move the Kentish Town Post Office from 212-216 Kentish Town Road to Greetings from the Heart, 251 Kentish Town Road.

It is clear to me that the proposed new space is far too small, and will not be able to offer the current full range of services and products. I believe this would inconvenience customers, and be detrimental to the local community, many of whom rely on postal, and especially parcel posting services.

Reducing postal services would also be detrimental to local businesses in Kentish Town, many of which require the full range of services provided at a full post office.

I therefore urge you to reconsider your plans and retain the existing location and services.

Yours sincerely,

A handwritten signature in blue ink that reads "Andrew Dismore".
