LONDON ASSEMBLY LABOUR

Andrew Dismore AM

Date: 28 September 2017

Dear Mr Healey,

Re: National Hate Crime Awareness Week

I am pleased to support this year's National Hate Crime Awareness Week. It is of utmost importance that the citizens of Barnet and Camden pledge to end hate crime and stand together to celebrate our differences.

People of all races, faiths, and creeds have made Barnet and Camden their home. We have a responsibility to preserve the promise of openness and tolerance to ensure our community continues to flourish.

As a city, we must remember that the guiding principles of London are openness, diversity, and tolerance. We cannot let fear or prejudice come between us.

The Mayor of London has called for Londoners to be proactive by reporting hate crimes of any kind to the police. The only way to stop these atrocities is to know they are happening. We need to send a clear message to those who wish to destroy our way of life that we will not be divided by hatred or violence.

No one in our community should be threatened or attacked for simply being who they are. We must stand together against acts of hatred to ensure London remains open to all.

Yours sincerely,

A handwritten signature in blue ink that reads "Andrew Dismore".
