Dear Andrew,

Thank you for your letter received on 17 January about the Colindale Sainsbury's proposal at Unit 4, Hyde Estate Road, Barnet. Please accept my apologies for the exceptional delay in responding.

On 4 November 2019, I considered an initial report on this scheme known as Stage 1 (reference GLA/5039/01) at my regular planning meeting. A copy is attached for your information.

As you know, Barnet Council has now made a resolution to grant planning permission on the application and it will be referred back to me for my final determination. As part of this process, referred to as Stage 2, Greater London Authority (GLA) planning officers and I will carefully consider all representations received, both in favour and against the proposal. GLA planning officers are currently undertaking a detailed assessment of the proposal and the issues raised through the Stage 1 consultation response to Barnet Council. Once the application is formally referred to me by Barnet Council for my final determination, the Stage 2 report and my decision will be made available on the City Hall website at: <https://www.london.gov.uk/what-we-do/planning/planning-applications-and-decisions/planning-application-search/unit-4-hyde-estate-road>.

In order not to prejudice my role in the decision-making process, it is important that I refrain from commenting on the application in further detail but please rest assured that comments received will be considered in due course as part of my final determination.

Yours sincerely,
