#### **Objection to planning application for Land Between Broadfields Primary School And Hartland Drive Edgware Barnet HA8 8JP, Ref: 20/4031/FUL**

Dear Sir or Madam,

I am writing to object to the above application in my capacity as London Assembly Member for Barnet and Camden.

The current application is for a development which is 22% larger than the previous one, comprising 137 units, against the 112 that already have permission. This increase in density is unacceptable, and sets an unwanted precedent for allowing ever denser developments on this site.

Further, whereas the previous application allowed for only 3-storey blocks of flats, the latest application seeks permission for up to 5-storey blocks, which are adjacent to playing areas of the school grounds. This is an unacceptable invasion of privacy of the school and pupils within it, as well as being too high.

For all of the above reasons, this planning application should be refused.

Yours sincerely,

Andrew Dismore AM
